This newly renovated weatherboard home is a great option for first-home buyers or those looking for a rental investment.

The updated kitchen has ample storage and has been fitted out with a top-of-the-range oven, dishwasher and opens out to the dining area, perfect for entertaining guests.

Natural timber floors flow through to a separate lounge area and down the hall to the three bedrooms, which all have built-in robes.

The bathroom is practical, with a shower over the bath catering to a family with young children.

Internal polished timber stairs lead down to the tiled laundry and a second bathroom. Timber supports under the house offer over 6 feet of height, creating a handy storage option or a great workspace.

Outside, the covered patio overlooks a large lawn, perfect for trampolines and cubby houses alike, with tall fences to ensure children and pets are safe. While large side access could be perfect for a shed.
